### **About Misfits Music:**

Our inaugural group the Moseley Misfits was founded in November 2018, as a community music group where adults who play any instrument, to any ability could get together for weekly rehearsals. We've provided music sessions for over 60 local people so far, and have performed at venues and events such as Birmingham New Street Station, the Midlands Arts Centre, Moseley Festival and Surge in Spring Festival. Since the introduction of social distancing in March, we have moved all our activities online. With the easing of lockdown, we are now able to hold activities and events to get people together in our local park in Moseley, Birmingham and we need your help to make this happen!

### **Who are we looking for:**

We're looking for volunteers aged 16 or above based in Moseley, Kings Heath and surrounding areas to help us with our new socially distanced music activities in Moseley Park & Pool on Thursday's during July and August.

We are looking for local people who are friendly, welcoming and enthusiastic. It's also important that we can rely on you to attend any slots you have signed up for to make sure our sessions can run smoothly.

### **What you'll be doing:**

We need volunteers to help us set up and pack down outdoor rehearsals and activities, including setting out chairs, building gazebos and making sure we are compliant with Covid-19 social distancing guidelines.

Our volunteers will be placed at our welcome tent by the entrance of Moseley Park to let participants in and out of the park. You'll also get the chance to help us with other tasks including handing out flyers and directing people to rehearsals and toilets etc.

### **When do we need volunteers?**

You'll be able to sign up for slots on Thursday afternoons/evenings between 2.30pm-5.30pm and 5.30pm-8.30pm during July and August.

### **What can we offer you?**

You'll get the chance to meet people in your local community, and help us provide sessions that will help us to bring people together in a safe way. Whether you're stuck at home and

looking for a place to get out and about, or looking for a boost to your CV this could be a great opportunity for you.

We are able to offer expenses of up to £5 per volunteer per session too!
